

NCTLA
SPRING 2023 CONFERENCE

Resilience & Reinvention: Working Together to Reshape Academic Support

Join us for a one-day conference hosted regionally by NCTLA to explore the future of academic support in higher education. With our rapidly changing landscape, academic learning centers must remain resilient in finding new and innovative ways to support students and help them succeed in the face of uncertainty and change. This conference will provide a place for attendees to share the latest state-wide trends and to engage in meaningful conversations about how to reshape academic learning centers for the future.

Attendees will have the opportunity to network with other learning center professionals in the state through a keynote address, breakout sessions, and roundtables to gain new insights into the challenges and opportunities facing academic support.

April 24th, 2023
9 a.m. - 4 p.m.
